CONSENT FOR BASEBALL

I acknowledge the following and give permission for my child to participate in sports, or I am a student age 18 years of age or older and I acknowledge the following and choose to participate in sports:

- Participation in sports can place the student-athlete at risk of exposure to SARS CoV-2.
- Symptomatic and asymptomatic individuals can spread the virus.
- At present, it cannot be predicted who will become severely ill if infected.
- Masking, distancing, and other mitigation measures reduce, but do not eliminate risk.
- SARS-CoV-2 can lead to serious medical conditions and death for people of all ages.
- The long-term effects of SARS-CoV-2 are, at present, unknown; even people with mild cases may experience long-term complications.
- There is a significant risk of transmission to those in the home of infected student-athletes.
- Older people and people with underlying health conditions are at higher risk of serious disease.
- The undersigned agrees that as a condition of ongoing participation in sports, the undersigned will provide full cooperation with case/contact investigations and compliance with isolation/quarantine requests, if indicated.
