

# Parent/Guardian Student Digital Device Protection Plan Enrollment

Parents may opt to purchase the Device Protection Plan from the district to cover repair and/or replacement costs in the event a device is damaged, destroyed, or stolen. The Device Protection Plan will insure the device for the duration of the Term of this Agreement.

- The cost of the Device Protection Plan Enrollment is a \$20 nonrefundable fee. The Plan will cover costs for repair and/or replacement of a device due to accidental damage or theft after the payment of the appropriate deductible.
- The Plan will cover up to 3 claims after which the parent will pay full repair/replacement costs of \$235:
  - First instance: Device is accidentally damaged, the student or parent must pay an additional \$20 deductible above the enrollment fee, and the district will pay any further repair/replacement costs.
  - Second instance: Device is accidentally damaged a second time, the student or parent must pay an additional \$40 deductible above the enrollment fee, and the district will pay any further repair/replacement costs.
  - Third instance: Device is accidentally damaged a third time, the student or parent must pay an additional \$60 deductible above the enrollment fee, and the district will pay any further repair/replacement costs.
- If the device is stolen, the student or parent must pay a \$40 deductible and the district will pay the remainder of the replacement cost. Police reports must be filed by the student or parent for stolen devices.
- The Device Protection Plan does not cover damage or loss due to dishonest, fraudulent, intentional, negligent, or criminal acts. The student will be responsible for full repair/replacement of the device.
- This Device Protection Plan will be null and void if we determine that a device has been removed from its protective case (if provided) by someone other than the IT department.
- Plan will cover one lost/damaged charger at no cost to the student. After one claim for a lost charger the student will be responsible for paying for a replacement at a cost of \$50/each.
- If students/parents do not enroll in the Device Protection Plan, they are fully responsible for any repair and/or replacement costs in the same way they would be responsible for any other damaged or lost school property, such as textbooks.

I accept the terms of the Device User Agreement Policy, wish to enroll in the Device Protection Plan and have enclosed the \$20.00 fee. I understand that this is a non-refundable fee that provides protection until the end of the current school year, but with a maximum of 3 claims.
