Dear Parents/Guardians:

We are quickly approaching the end of the second quarter of your child's senior year. I am sending this letter in accordance with New York State Education Department (NYSED) guidance. NYSED is requiring school districts to inform all parents or legal guardians of your rights to decline examination waivers for your child to earn a diploma in the 2020-2021 school year.

If you choose to decline the exemption issued to your child, your child will remain an Edmeston Central School student and need to take and pass the required Regents exams to graduate.

I understand many of you will not be interested in this waiver. However, if you have any questions regarding the attached guidance please contact me or Mrs. Conklin at (607) 965-8931.

Sincerely,

Mrs. Christine Nichols
Principal
